

NESA *Teaching Sport ... for Life*

The answer is YES, what is the question?

NESA Community Outreach Program

- Over the years New England Sports Academy has made contributions to your organization and dozens more like yours. We are very proud to be able to contribute to a good cause that helps our children and our community, but in the back of our mind we always had this nagging question: "Can we do more?" The answer is a resounding – **YES!**

1. Special Event— FREE

NESA will send one or several professional coaches to your location in the sports of your choice to provide fun filled instruction to your kids. This program can be set up by child cares, elementary and middle schools

2. Regular Program—\$60 per hour

This program is set up to accommodate physical education need of your children during the day on regular basis:

- once per week
- by-weekly
- once per month

Each program is customized to fit your needs and the space you have available. You also will be able to switch sports from month to month. Please note, availability of our professional staff is limited.

- **To set your Community Outreach Program** please contact Henry Shterenberg at hshterenberg@nesacademy.com or please call 781-493-6345 ext 118
