

NESA *Teaching Sport ... for Life*

The answer is YES, what is the question?

Sports Field Trips

- There are hundreds of different options for exciting and educational field trips. How about mixing it up a little?
- With NESA your organization can be part of a fantastic event in a 36,000 square foot facility. NESA provides sports education in over 20 sports and programs.
- Every Field Trip is customized to perfectly fit the interest of participating children. Our experienced staff will guide kids in structured activities or open gym format. One way or the other we promise that kids will have a phenomenal time being physically active and their parents will thank you for it.
- NESA has organized and run hundreds of Field Trips for private and public schools, boys and girls scouts, churches, mosques, synagogues, non-for profit organizations, sport teams, camps, and many other organizations.
- The Field Trip can last from 1.5 hour to 4 hours depending on the number of participants. It can be organized with multiple sports or it can be set up in open gym format.
- NESA makes Field Trips very affordable. The price ranges between \$9 to \$15 per participant.
- NESA kids limo service also can provide transportation for your group. We have a arrangement with local limousine company to help kids get exercises on regular basis.
- **To book your Field Trip** please contact Henry Shterenberg at hshterenberg@nesacademy.com or please call 781-493-6345 ext. 118 .
